DESCRIPTION AND PURPOSE OF ITEM

This item identifies the Illinois House of Representatives' Representative District located to the NORTH or WEST of the boundary if the highway is on a representative district boundary.

This information is used to organize highway data geographically.

This item can be determined by using the Apportionment Maps and Descriptions issued by the Illinois State Board of Elections. If in question contact the Central Bureau of Urban Program Planning.

Note: The Illinois Legislative (Senatorial) District can be determined by dividing the Representative District number by 2. Round fractional values up to the next whole number.

CODE AND SCREEN ENTRY INSTRUCTIONS

A 3-digit numeric code, right justified.

Record '000' if the highway is on a state border.

Enter the appropriate code, filling leading spaces with zeros.
